This was a tightly scored meet. We had some good results; Natalie Young took 1st on floor and AA, Becca Taylor won bars, Mikaela Ackerman qualified to State for the first time, and we got our first 9's on vault - 9.05 for Jessica Johnson and Alexa Masters got a 9.0. Many of the girls improved on several of their events. Keep it up! Come to practice, work hard, get enough rest, eat right, think positive and encourage each other.

We will be working hard trying to fine tune routines for the next two weeks.
