You were all so cute in your costumes!! Overall we had pretty good meets, both level 5 and 6. We saw lots of improvement, and many of you went BIG! Congratulations to Natalie Young for taking 1<sup>st</sup> on floor and tying for 1<sup>st</sup> AA, Megan Merschman taking 1<sup>st</sup> on floor, and to Zoie Schroeder for taking 1<sup>st</sup> on floor.

The 2<sup>nd</sup> qualifier is next weekend. We expect to see more good routines and fewer errors. Each practice is so important, that's where corrections are made and great routines repeated over and over. Positive thinking and confidence are important too, so keep thinking good thoughts. Concentrate on doing your best and less on the scores.
