Insurance Company _____
Parent Permission: (must be filled out and signed before first class)

_____ has my permission to participate in a gymnastics class/field trip at Twin City Twisters Gymnastics. I give permission to Twin City Twisters Gymnastics and/or an appropriate medical facility to make whatever emergency (e.g. first aid, disaster evacuation) measures as judged necessary for the care and protection of my child while under the supervision of Twin City Twisters Gymnastics. In case of a medical emergency, I understand that my child will be transported to an appropriate medical facility by the local emergency unit for treatment if the local emergency resource (Police, Rescue Squad) deems it necessary. The child will be transported at my expense. It is understood that in some medical situations, the staff will need to contact the local emergency resource before the parent, child's physician, and/or other adult acting on a parent's behalf. I am aware that there are risks involved and that serious injury, and even death may result with improper conduct of this activity. I have instructed my child to follow directions. I fully disclaim, waive, and discharge Twin City Twisters Gymnastics, their instructors, and directors from all claims with regard to any personal injury that may be incurred by my child during this class.
My child is in good physical health, and there are no medical conditions which would limit his/her participation in class.

GYMNASTICS
www.twincitytwisters.com

Have you ever wanted to be part of a gymnastics team, and then found out that sometimes you have to train for years before getting an opportunity to compete? TCT Gymnastics League is making a comeback and may be just what you're looking for!

Twin City Twisters is an established gymnastics program that opened in 1986. TCT has produced 15 national team members, over 30 athletes have earned full ride division 1 college scholarships, and many individual and team state, regional and national titles. Our facility offers in ground trampolines, foam pits, channel bars, and more. Other equipment available for use includes low wide beams, soft surface dismount areas for vault, beam, bars, tumble track, and a tumble strip into a foam pit.

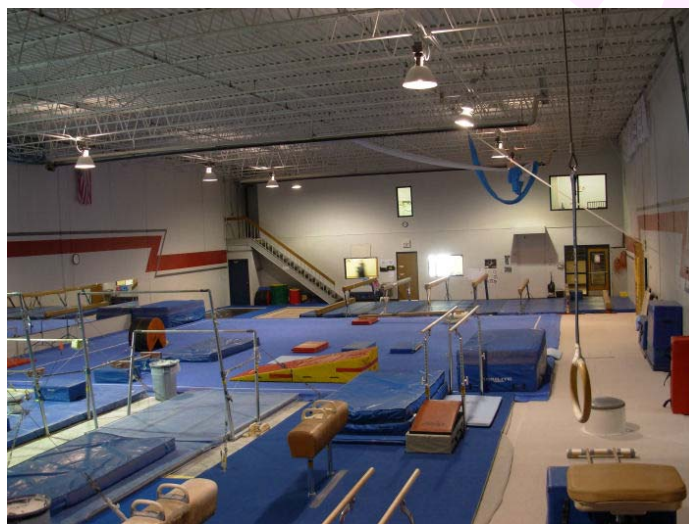

Options Available

Beginning June 8th, gymnastics league will practice 2 days per week for 2 hours each time. There are 2 time slots available:
Monday/Wednesday from 6:00pm-8:00 OR
Tuesday/Thursday 11:00AM-1:00.

What is Summer League?

TCT Gymnastics League is a summer program where girls, ages 7 and over, get the opportunity to train as part of a team. They will compete in one competition at the end of the summer for achievement awards on four events. They will also get to compete as a team with other students in their training group for a team trophy.

Gymnastics League is very recreational in nature, with an emphasis on fun and participation. Students will be placed on a team of 8 or less gymnasts and have 2 practices each week during Summer session.

More Than Just A Class

There is even more to this program than getting to train more hours, be a part of a team, and having a competition. Girls taking part in TCT's League will also get a team T-shirt, an end of season party, and an opportunity to purchase a team leotard exclusive to the league program!

Schedule & Fees

Two league practice times are available:
Mondays & Wednesdays 6:00pm-8:00
Or Tuesdays & Thursdays 11:00am-1:00

The league schedule will be every week from June 8 - August 27, 2009.

The competition date will be Friday, August 28, 2009

The total cost is \$175.00/month for June, July and August. This fee includes 4 hours/week of practice, a team T-shirt, a competition with awards, and an end of season party. The June payment must be paid at the time of registration while July and August are due by or before the 1st of the month. There is a \$40.00 family registration fee for new members and current customers whose annual registration fee is due.

If you have any more questions, please don't hesitate to call or check us out on the web!
